Who we are

- Mad-era is an Egyptian consulting firm with national & international partnerships, established in early 2022 to make a difference. As a consulting firm, we are providing all advisory necessities to the business market in Egypt and the MENA region.
- Mad-era initiates its services to start-ups along with ready operating firms to support their function in the market and help them grow more efficiently.
- We are keen on building a sustainable relationship with our clients. Mad-era partners with your staff, either on-site or remotely, to define your project scope and plan, identify problems and opportunities, and deliver Quick Win improvements. Your organization will realize an immediate benefit.
- Mad Era Consulting Company is an industrial engineering services provider that offers a variety of optimal and sustainable solutions in Egypt, the Middle East, and Africa. We provide environmental, engineering, and industrial sustainable solutions for specialized businesses, delivered by expert consultants and professional trainers to efficiently develop any commercial venture in the market. Mad Era supports your company with independent services that reduce costs, streamline operations, and operate in a more profitable manner. Additionally, we offer specialized business solutions that enhance quality and productivity, reduce risks, and minimize losses.

Our vision

To build through present and future. by helping individuals to make a difference through encouraging entrepreneurialism against monopolism by strengthening startups to compete in the .markets

Mission

Aiming to be the ultimate venue for start-ups and operating businesses determining their needs then providing services to walk them through and .reach the desired success

Our values

Commitment | Honesty | Morality | Independence and impartiality | We avoid possible conflicts of interest | We neither accepting gifts nor other advantages which contradict with our integrity | Ensure the compliance with the recent international .legislations and standards

CEO MESSAGE

It is with great pride and excitement that I share our journey of growth and excellence with each and every one of you.

At Mad Era, we have always believed in the power of innovation and sustainability. Our commitment to providing the best-in-class industrial engineering solutions in Egypt, the Middle East, and Africa remains unwavering.

We strive to create a positive impact on businesses, society, and the environment through our services.

Our team of dedicated experts, consultants, and trainers have been the driving force behind our success.

Their passion for excellence and their continuous pursuit of knowledge enable us to deliver optimal and sustainable solutions that transform businesses and industries.

As we move forward, we aim to strengthen our focus on environmental responsibility and social impact.

We understand the importance of sustainable practices, and we are dedicated to implementing them in every aspect of our operations. Together, we can build a better future for generations to come.

Thank you for being an integral part of our journey. Together, let us continue to pave the way for a better and brighter future.

Our Services

introducing Mad-Era Consultancy: Shaping Sustainable Futures

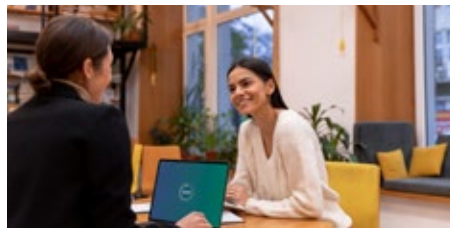

At Mad-Era, we're more than just a consultation service company – we're your partners in progress, dedicated to transforming visions into realities. With a comprehensive suite of services tailored to the dynamic needs of modern .businesses, we pave the way for innovation, efficiency, and sustainability

1 Navigating Feasibility and Progress

Our expertise in feasibility studies spans across diverse project types, setting the foundation for success. We specialize in obtaining essential building permits and navigating the intricate landscape of state land allocations, ensuring your projects are set on the right .course from the start

3 Empowering Businesses

Listing companies on the stock exchange, securing export support certificates, and obtaining ISO certifications are just a few ways we elevate your business. Our financial solutions, investment opportunities, and offshore company establishment services open .new doors to growth and expansion

2 Sustainability in Focus

Mad-Era takes a holistic approach to sustainability, offering carbon footprint reports, environmental impact studies, and waste management solutions. Our team excels in implementing cleaner production systems, waste reduction strategies, and innovative waste-to-energy conversion technologies, all contributing to a greener .future

4 Engineering Tomorrow

From engineering design consultations to technical and economic studies, Mad-Era is your hub for cutting-edge solutions. We specialize in artificial intelligence integration, combustion systems for oil and gas .industries, and water treatment plant operation consultancy

5 **Championing Compliance and Safety**

Navigating complex regulatory environments is our forte. We assist in operating license acquisition, environmental documentation, and pollution control strategies, ensuring your business operates ethically and responsibly

7 **Global Reach, Local Expertise**

With our support, companies achieve local quality certifications, harness offshore bank accounts, and thrive in international markets. Our tailored guidance covers every aspect, from marketing strategies to legal and financial consultations

6 **Innovation Secured**

Mad-Era is your partner in embracing the future. We excel in cybersecurity, smart application development, and LCA studies. Our EPD accreditation, along with expertise in radiation protection and safe transport, guarantees products that meet the highest standards

8 **Empowering Every Step**

We provide comprehensive training in sustainability, efficiency improvement, and business management systems. Our guidance extends to environmental health plans, ensuring your organization remains a beacon of well-being. Choose Mad-Era Consultancy – your partner in progress, sustainability, and success. We're not just consultants; we're architects of better tomorrows
